MISSION PARTNERS

OHC teams partner with International Leadership Institute (ILI) Colombia. They are a global ministry, and in Colombia, they train and mobilize leaders to reach distant regions of Latin America. ILI serves in over 125 countries and teaching in 300 different languages worldwide. Our local ILI ministry contact will serve alongside of OHC as this team ministers through a Sport and Youth ministry, providing VBS and Soccer camps to youth living in the poor neighborhoods of Pereira. Many of these children have not been outside the city or have been exposed to Bible teaching through VBS or Soccer Camps. The team will also conduct two festivals in the town of Chichina and La Union sharing with them in games and fun activities while also sharing with them the Gospel.

TRIP DETAILS

The Colombia team will fly from San Antonio to Pereira, Colombia. While in country, the team will serve with our missionary partner, ILI Colombia, ministering through a VBS camp and soccer ministry. We will spend two days conducting a festival in two different locations which is evangelistic to an older audience.
