MISSIONARY PARTNERS

Gui and Lorena Schott

Gui and Lorena have both graduated from discipleship training through YWAM (Youth with a Mission). They are full time Brazilian missionaries sent out in 2016 from Refuge of Grace an Oak Hills Church plant in Brazil. They are currently leading YWAM Coventry. Gui states our main focus is to impact our city with the gospel of Jesus. We are reaching out to people and making disciples of every nation, as Coventry is a very multicultural city. We primarily work by reaching out to the refugees in the city through worship services, Alpha courses, Bible studies, Men and Ladies group, Food Hub, Soccer outreach, engaging in interpersonal relationships in community with their lead.

We also host many outside outreach teams while they do ministry in the city. We run evangelism trainings, talks, prayer gatherings and work with many other churches and ministries throughout Coventry to further the work that God has entrusted us to do.
