### MISSION PARTNERS

The OHC short term mission team partners with Casa de Ester, located in Tegucigalpa, Honduras. Casa de Ester is a ministry that provides physical, spiritual, and emotional support to girls who are victims of abuse. Additionally, they provide educational, vocational, and transition assistance to these young ladies. During our time at CDE we will build relationships and minister to young ladies and teens who have been victims of trauma, abuse, and neglect. Our time is spent at CDE serving, teaching, encouraging our sisters.

Founder Michael Perry grew up at Oak Hills Church. Michael and his wife Valina took over full ownership and leadership of the Casa de Ester ministry in May 2015. Through their work, and God’s healing, the lives of these young ladies are transformed. In December 2016, the Perry’s transitioned stateside to focus on building their ministry partnership network, along with fundraising from Radiate Coalition (501 C-3). They continue to be involved in the operations of CDE and Short Term Teams that come to serve.
