MISSION PARTNERS

OHC short term mission teams serve alongside OHC missionaries Bryan and Jannet Carruth, who have been serving in Brazil for nearly two decades. Their vision is of a growing community of believers living out the call to be Jesus in every neighborhood in their city, impacting the country of Brazil and beyond.

The team will work together to testify to God's love and grace to the neighborhoods around the church. We will work alongside local dental and medical providers to bring much-needed care to impoverished communities around the church, as a demonstration of God's love and provision. We will also partner in creative outreach to the children in the communities.

Our teams are blessed to partner together in Christ as we learn from one another, serve together, and develop strong bonds of ministry friendship. We will partner and serve with the leadership and church family of "Refugio de Graca" (formerly OHC's first international campus) to expand God's Kingdom.

TRIP DETAILS

Lodging: The team will stay at the Monza Hotel, with rooms of double or triple occupancy, bathrooms with hot shower in each room.

Meals: A full breakfast buffet is served at the hotel each day, lunch will be provided, and dinner will be eaten at a different restaurant each night.

Trip Orientation: We will have several Team Meetings prior to our trip. We will provide you with a Team Informational Packet at the first Team Meeting. Team Meetings are required and will focus on building team unity, learning about the culture of our designated country, discussion, and planning for our in-country service.
