MISSION PARTNERS

OHC short term mission teams partner with Scott Felder and Steve Bakos with The Messiah Project. The Messiah Project ministry began several years ago, established to minister and train native Nicaraguan Christian leaders to bring spiritual, emotional, and physical help to meet the needs of the people in many areas of the country.

The team coordinates the collection of the "Manos de Cristo" Christmas boxes from our Spanish congregation and Westside Campus, and the distribution of the boxes to the villages in Nicaragua. We share the story of Jesus' birth, facilitate crafts, and participate with daily feeding centers in each village.

TRIP DETAILS

Lodging: The team stays at "The Land of Judah Center," a dorm-style setting. The guest quarters are divided into rooms with bunk beds, and two shower rooms (1 for men/1 for women), with restroom facilities in the dorms.

Meals: Breakfast and dinner are included each day, with sandwiches and chips for lunch.

Trip Orientation: We will have several Team Meetings prior to our trip. We will provide you with a Team Informational Packet at the first Team Meeting. Team Meetings are required and will focus on building team unity, learning about the culture of our designated country, discussion, and planning for our in-country service.

ITINERARY (Tentative)
